

## **What to do if you are not part of the First Year Experience**

If you are not participating in the First Year Experience for the 2012-13 school year, we recommend that you first:

1. Confirm your completion of the new student matriculation steps.

New Student Information

<http://www.canyons.edu/offices/Admissions/NewStudents.asp>

2. Attend a New Student Advisement workshop prior to fall registration.

New Student Advisement Workshop:

<http://www.canyons.edu/offices/Counseling/workshops.asp>

College of the Canyons has a number of resources designed to assist new students as they transition from high school to college. For an overview, please visit our [Student Services website](#), or click on a link below for further information about these specific programs.

Counseling Courses:
