First Year Experience is a Skills4Success Program

College of the Canyons

FIRST

YEAR

EXPERIENCE

College of the Canyons is offering a comprehensive program **exclusively** for freshman entering from the William S. Hart School District. FYE supports **first-time, first-year college students** with their transition to college life. Through yearlong academic classes, programs, and activities, students will learn skills that will enhance their college success and build a foundation for lifelong learning.

First Year Experience Program Includes

Cougar Days- Students and Parents Welcomed!

Learn about our academic programs and services, explore majors and careers, learn how to prepare for the English and Math placement test and meet our faculty.

FYE Orientation Days

Tour our campus, meet with counselors to choose a major and develop an education plan and register for the Fall semester!

FYE designated classes & workshops

COUN 111- Intro to College & Strategies to Success
COUN 142- Learning to Learn
Supplemental Learning Workshops &
Guided Learning Activities for English and Math

Learning Communities

Students attend English, Math and Counseling classes with other FYE students

Faculty Mentors

Students will meet with their English and Math "faculty mentors" during the Fall semester

Why Should You Become a First Year Experience Student?

- ◆ Receive early registration and guaranteed enrollment for Fall semester: English, Math, Counseling and General Education (GE) course for a total of 12 units
- ◆ Receive early registration and guaranteed enrollment* for Spring semester: English, Math, Counseling, and GE course (*if qualified)
- ◆ Receive support for a positive & successful first year experience
- ◆ Become familiar with campus resources and how to utilize them
- ◆ Develop skills that will enhance college success
- ◆ Make connections to the college community, counselors, faculty, staff and peers
- ◆ Explore educational and career opportunities and identify the path required to accomplish your goal
